SIR

I have the honour to state that there were in all 8 sections in the Sanitary Board High School at Robertsonpet during the year 1944-45 as noted in the margin with a total strength of 466 students

I year	Class	4	Sections
II "	"	2	"
II "	"	2	"
	Total	8	"

On a report dated 10th April 1945 received from the Head Master of the School to the effect that the number of students for the IInd and IIIrd year classes had risen up to 175 and 140 respectively and that additional sections had to be opened for these two classes from the school-year 1945-46, the Managing Committee of the High School resolved that one extra section might be opened for each of these two classes, reducing the total number of sections of the I year class from 4 to 2 This was done with a view to see whether it would be possible to obviate the need for incurring additional expenditure But in view of the fact that the number of sections of the I year class was limited to two, more than 80 students had to be refused admission, though 125 students had already been given admission, with the result that there was a good lot of agitation from the parents of the local students So, the Head Master was permitted to open two additional sections for the I year class also and admit all the students in whose cases admissions had been refused The subject came up before the Sanitary Board at their special meeting

held on the 20th July 1945 and they have approved of the action taken to open two additional sections and to appoint two additional teachers in the grade of Rs. 40-4-60 pending formal sanction of Government to the creation of the posts of two additional teachers, vide copy of their resolution No 13 dated 20th July 1945 enclosed for reference

I request kind sanction of Government to the appointment of two additional teachers in the grade of Rs. 40-4-60 with the usual Dearness Allowance of Rs 10/- each per month with effect from the date of the Board's resolution viz , 20th July 1945 Kind approval is also requested to the action taken to (1) appoint two candidates for the posts in anticipation of sanction in view of the urgency involved, and to (11) the appointments having been made without reference to the Rules of Recruitment as on the former occasion, in view of the conditions obtaining at present

The new teachers have been started on a pay of Rs 48/- (plus D. A.) in the grade of Rs. 40-4-60 as authorised in Government Order No. L 1428-30/ M1 96-43-42 dated 5th August 1944 As regards the additional accomodation required, I may add that the work of constructing additional rooms for the High School building is under progress and it is expected that they may be available for use within a month or two Till then, the Head Master has been authorised to hold one of the classes in the mornings as a purely temporary measure The Board's share of the extra cost involved by the appointment of these additional teachers will be met by reappropria tion of savings in the current year's Budget Estimates of the Board

I have the honour to be,
Sir,
your most obedient servant,

PRESIDENT
